### **CONFIRMATION SERVICE EXPERIENCE & ACTIVITY REQUIREMENT FORM**

Listed below are MINIMUM “EXPERIENCE REQUIREMENTS” for our confirmation candidates.  
The basic and most important aspect of preparing to be confirmed is the regular reception of the sacrament of reconciliation as well as attending Sunday Mass.

The requirements listed below allow each family to decide how best to help their child prepare for confirmation. Many youth will want to participate or have already participated in additional service and liturgy opportunities. Please record these below and use the reverse side.

As families, the time that we spend together is very short and very valuable and so we encourage family participation in liturgy and service opportunities.
